

South Tees Development Corporation Forward Plan

11 September 2025

SOUTH TEES DEVELOPMENT CORPORATION

The Forward Plan will contain details of all key decisions of the South Tees Development Corporation which are proposed to be taken by the Board.

A “key decision” means a decision which is likely to:

- result in the Combined Authority or the Mayor incurring significant expenditure, or making significant savings, having regard to the Combined Authority’s budget for the service or function to which the decision relates; or to be
- significant in terms of its effects on persons living or working in an area comprising two or more electoral wards or divisions in the Combined Authority’s area.

The Forward Plan will be published at least 28 days before the meeting date. It will be published in the South Tees Development Corporation section of the Combined Authority’s website. Exempt information need not be included in the Forward Plan and confidential information cannot be included.

There may be times when a decision has not been published in the forward plan, usually if the matter is urgent and a decision has had to be made quickly. These decisions can still be made but are subject to certain guidelines. Full details of urgent decisions can be found in the South Tees Development Corporation Constitution.

Please note – the decisions listed for the forthcoming month are firm.
